

pastor's welcome

Thank you for joining us at Community Bible Church!

We believe that everyone who comes through these doors, was sent by God Himself, so it is not by accident or mere coincidence that you are here. Whether you are a resident in the area or just passing through, we consider it a joy to be able to welcome you and share what God is doing among us!

Our one desire is to help people experience the life-transforming truths of God's Word and come into a life-giving relationship with His Son, Jesus Christ, growing in Him each day. Because of this, we put much emphasis on being a teaching church. You will quickly see that our services, classes, and LIFE groups all center around accurate and applicable instruction from the Bible - our only definitive source of understanding who God is and what His purposes are for our lives.

These truths understood in the mind, believed in the heart, and applied in life, causes radical transformation - bringing a person from death to life, from rebellion to reconciliation, from purposelessness to purposefulness. This drives our worship, defines our service and draws us together into a unique relationship as members of Christ's body.

Speaking of those relationships, one of the great joys in serving as a shepherd of this church is the family atmosphere. CBC is not only a place to learn, but also a place where you are lovingly shepherded among a group of people who genuinely care for one another. We value the positive benefits of both younger and older together sharing together a multi-generational community of faith and service.

So, Community Bible Church is not only a place to believe, but also a place to belong. Our hearts are open and we hope to serve you in any way we can. Whether you are searching for a new church home or just investigating the claims of Jesus Christ, I invite you to get further acquainted with us, and the many opportunities available here to grow spiritually, connecting with people who truly care. It is our earnest hope that you will come to personally experience the transforming power of trusting in Jesus Christ's finished work on the Cross. Each person who is a part of this believing community is a testimony to that power and would love to share their story with you.

In grace & truth,

Pastor Glen

“Transforming lives through the truth of the Word”

what we believe...

We live in a rapidly changing, fast-paced, and complicated world. At CBC, we believe and proclaim the Bible as the authoritative and infallible Word of God. The truth found in His Word is as relevant to the needs of contemporary culture as it was 2000 years ago.

We hold to the fundamental truths of historic Christianity including the deity of Christ, His virgin birth, His sacrificial death, and His second coming. We believe that the gift of salvation is by faith in the finished work of Christ and repentance from sin.

We believe that it is both the obligation and privilege of every Christian to live a holy life, show evidence of a healthy life in Christ, and proclaim the gospel.

We want to meet the needs of people in our community with God's answers to real problems, it is our firm conviction that the answers to the deepest needs in peoples' lives can only be met through a personal relationship with Jesus Christ and a proper understanding and application of Scripture.

We believe that when Christians are connected to a community of faith and are under the clear teaching of the Word of God, they will grow to become devoted followers of Christ. In light of that, Community Bible Church at Sunriver is not only a place to believe, but also a place to belong.
